

The logo for Flightcell is displayed on a dark blue rectangular background. The word "Flightcell" is written in a large, white, italicized sans-serif font, with a registered trademark symbol (®) to its upper right. Below it, the tagline "ALWAYS CONNECTED" is written in a smaller, white, all-caps sans-serif font.

Flightcell®

ALWAYS CONNECTED

About Flightcell International Ltd

Flightcell International is a global producer of airborne integrated-mobile communications, providing satellite and cellular data, voice and tracking to over 4000 commercial and military Helicopters worldwide. Flightcell are the innovators and manufacturers of Flightcell DZMx, the world's only all-in-one Iridium and cellular solution for voice, data, and aircraft tracking. Flightcell DZMx comes in the light and compact panel mounted DZMx, and the NEW avionics bay – Tray-mounted DZMx Plus, for replacing legacy Iridium satcom equipment. The DZMx range offers WIFI, Bluetooth, and Iridium PTT as well as industry specific applications for Air Medical/SAR, Law Enforcement, Fire, and Agriculture.
