

HAC 2020 Agar-Stringer Award Recipient

Congratulations to Mike Aldersey

Agar Stringer Award Winner, Mike Aldersey graduated from Canadore College in 1978, and started his career with Ontario Helicopters in Thompson Manitoba. Since then, he worked with Northern Mountain, Prism, Lakelse, and most recently with West Coast Helicopters. In 2020, he passed 30,000 accident-free hours. He has extensive long-line experience, mostly in the mining and logging industries, but he also has experience in the Heli-skiing and forest protections sectors.
